Activities

Bush Craft

It's all about survival!! Using only natural materials learn how to make shelters and keep warm in the woodland environment. Build and light a fire to heat a tasty treat, all without the use of matches.

Crate Stacking

Construct a wobbly 'vertical' tower of crates up to six metres high, with support from the 'builders' on the ground. Can you reach the top before the tower collapses?

Archery

Be a Robin Hood or Maid Marion! Shooting at the target to see how many Golds (or balloons!) you can hit.

Assault Course

Get Dirty, Get Wet, Get Muddy!
Wind your way around the woodlands as you tackle a variety of obstacles including log walls, water swings and tunnels.

Tree Top Trail

Our tree top trail is our most loved activity here at Hilltop and consists of a variety of bridges, walkways and obstacles, up to 10m high.

The Big Zippers

An adrenaline rush on one of our two - 120m zip wires from the top of our highest hill.

EVENING ACTIVITIES

Owls & Mice Fun

Animated game of Hide and Seek in the dark woodlands.

Next Stop

Plan your route from Station to Station - then run around the grounds to complete your journey.
