January 2020

Dear Parent/Carer

**Online Safety Evening**

We would like to invite you to come along to an online safety evening. This will give you an opportunity to explore ways in which you can best support your child and help them to use the internet in a safe and positive way. There will be opportunities for discussion and a chance to ask any questions.

We will be hosting two identical sessions on Wednesday 12<sup>th</sup> February, which will last for approximately one hour, at 1:45pm and 5:30pm. The sessions will be located in the Pod (which is behind the main entrance to the Colman Junior School car park). The sessions are open to parents/carers at both the Infant and Junior Schools.

Please complete and return the slip below by Friday 7<sup>th</sup> February to confirm if you are able to attend and the time. This will help to give us an indication of the number of resources we need to prepare. We look forward to seeing you there.

Yours faithfully

Mr D Genders  
ICT Coordinator
