

Reception Year Vision and Hearing Screening

The Healthy Child Programme team will also be visiting your child's school to test the hearing and vision of children during their Reception year. A member of the school staff may be present during screening.

All children are eligible for this service on school entry, including those who wear glasses.

It is important to call us on 0300 300 0123 if your child:-

- **Has a programmable shunt fitted – Hearing screening equipment used by us can affect the programmable shunt – it is very important that you opt your child out of school hearing screening.**
- **Is under regular review at the hospital for ears, eyes or both**
- **Has additional needs**

Vision and hearing screening results

- **Pass result**
You will not receive a results letter if your child passes the screening.
- **Not passed or unable to test**
A letter will come home with your child on the day of screening with the results and further information on what happens next.

The team will not inform School staff of your child's results.

Please see page 2 of this letter on how to opt your child out of these checks.
