Dear Parent/Carer

Collection for Norwich Foodbank on Friday 13th March

We have an assembly on Monday 9th March to talk to us about how we can help local people in crisis by gifting items they need.

Norwich Foodbank is part of a national network of foodbanks, which gives out three days of emergency food to individuals and families in crisis. Local care professionals in the Norwich area refer people using a food voucher. At the Foodbank Centre clients exchange their voucher for food supplies, where they also receive a cup of coffee, a listening ear and signposting to other professionals who can help them out of their crisis.

All food given out by the Foodbank is donated by generous members of the public and Norwich Foodbank continues to see more and more people turn to them for help. In 2019, Norwich Foodbank estimated that almost 10,000 food parcels were given out to local people in crisis.

Further details of the work of the Norwich Foodbank and how people can be involved can be found at:-

Following on from the assembly, we are asking if children could please bring in an item of food from the list on the back of this letter on the morning of **Friday 13th March 2020**. Please bring any food to the school hall.

Yours faithfully
