

My first time making puff pastry by Mrs Tranquillo

This was the chef's Tarte Tatin

I watched a cooking program with a famous chef. He was making a Tarte Tatin. I decided to have a go... I had to make Puff pastry for the first time so I had a go ... I had to turn the dish over onto a plate when it was done and this was tricky because I nearly dropped it on the floor but ... I had a go!

This was my Tarte Tatin ... what do you think?
