

1.4.2020 Norwich

Dear Sycamore class children,

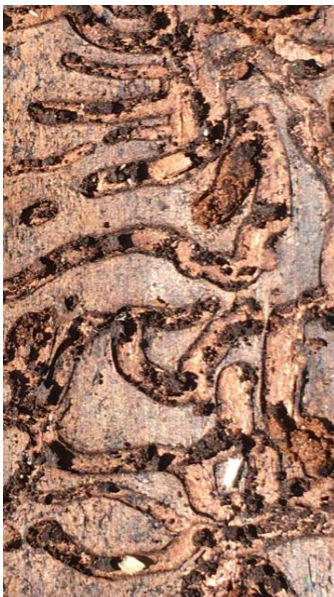

We hope that you are well. We have been very busy working at home and trying to prepare some activities for you for the next term. In our spare time we try to do some exercise and things that we enjoy: Mrs Bawler did some baking, Mrs Meade crocheted a lizard and Mrs Bagnall enjoys walkies with Pippa the dog. We all like having cups of tea ☺. Here are some photos:

The Easter holidays are starting. It is all a bit strange as most people have been at home for more than a week.

Enjoy your break and we'll write soon again.

Here is a mystery picture for this week:

Look closely. Can you tell what it is? Have a chat with your family members and see what they think.

We will give you the answer and show you the picture in our letter next week.

In the meantime, take care and have a rest and some fun too.

Lots of love from Mrs Bagnall, Mrs Meade and

Mrs Bawler.
