

## The barbeque blues

The barbecue blues, barbecue blues,  
I got the barbecue blues  
Monday night, went to the barbecue  
Monday night, went to the barbecue  
Monday night, went to the barbecue  
And the rain came down

**The rain came down and drowned the burger buns**  
**The rain came down and drowned the burger buns**  
**The rain came down and drowned the burger buns**  
**I've got the barbecue blues**

Tuesday night, frazzled the chicken legs  
Tuesday night, frazzled the chicken legs  
Tuesday night, frazzled the chicken legs  
And the rain came down

**The rain came down and drowned the burger buns**

...

**I've got the barbecue blues**

Wednesday night, sat on the sausages  
Wednesday night, sat on the sausages  
Wednesday night, sat on the sausages  
And the rain came down

**The rain came down and drowned the burger buns**

...

**I've got the barbecue blues**

Thursday night, trod on the shish kebab  
Thursday night, trod on the shish kebab  
Thursday night, trod on the shish kebab  
And the rain came down

**The rain came down and drowned the burger buns**

...

**I've got the barbecue blues**

Friday night, stamped on the barbecue  
Friday night, stamped on the barbecue  
Friday night, stamped on the barbecue  
**And the sun came out**

**The sun came out and dried the burger buns**  
**The sun came out and dried the burger buns**  
**The sun came out and dried the burger buns**  
**I've got the barbecue blues**

Oh barbecue blues, barbecue blues  
I've got the barbecue blues
