

When I grow up

When I grow up, I will be tall enough to reach the branches that I need to reach to climb the trees you get to climb when you're grown up

And when I grow up, I will be smart enough to answer all the questions that you need to know the answers to before you're grown up

And when I grow up, I will eat sweets everyday on the way to work and I will go to bed late every night

And I will wake up when the sun comes up and I will watch cartoons until my eyes go square and I won't care because I'll be all grown up

When I grow up, when I grow up, when I grow up

When I grow up, I will be strong enough to carry all the heavy things you have to haul around when you a grown up

And when I grow up, when I grow up, when I grow up, I will be brave enough to fight the creatures that you have to fight beneath the bed each night to be a grown up

And when I grow up, I will have treats every day and I'll play with things that mum pretends that mums don't think are fun

And I will wake up when the sun comes up and I will spend all day just lying in the sun, and I won't burn because I'll be all grown up

When I grow up ...
