

Mrs Rose had a Sea Scout home camp

The southern Norwich district (Colman schools fall in that area) decided to have a district home camp. Some of the groups in this area joined in. I am with the 1st Norwich Sea Scout group. Over zoom we had an opening ceremony called a flag break. Then we were given a lot of activities to do, as you can see with the pictures.

The Beavers, Cubs and Scouts were also asked to design a badge for this event that we can wear on our uniform.

The only rule of the camp was that we didn't sleep in our own beds. Some camped under their parents' kitchen tables. In the evening we had a campfire singalong. Then the following morning we played some games. I really enjoyed this because I love doing scouting and it was great to see everyone. I do miss this and school.
