

25.6.2020

Hello Sycamore class,

It was lovely to see some of you during our Zoom meeting on Wednesday. Unfortunately we had some technical problems ☹️ but in the end we have managed to work around these. It was so good to see that you are keeping busy and creating such lovely things.

Well done to those children who have been emailing us their work. We both look at and read the emails and one of us sends a comment back to you.

So keep sending us all the great work.

We are hoping to see you again next week on Wednesday at 2pm in our next Zoom session. Hopefully ALL technology will work well and we all will be able to see and hear each other.

In the meantime, take care and enjoy the sunny days.

All the best from Mrs Meade and Mrs Bagnall.
