Mrs Julie Sandford
Headteacher

16th September 2020

Dear Parents and Carers

Online Learning

Following the latest government guidance to schools, we are in the process of preparing our online learning provision to be used in the event of any Covid-related absences. We will continue to provide the vast majority of our online provision via OneNote, as we did during Lockdown. This half term the children will be taught in Computing lessons how to access and use OneNote for home learning in preparation for any future self-isolation, year group closures or localised lockdown.

However, we know that access to technology was an issue for many families during Lockdown. Please can you answer the statements on the attached form and return the slip back to school by Monday 21st September so that we can make sure our online learning offer is in place as soon as possible.

Thank you for your support with this matter.

With best wishes

A handwritten signature in blue ink, which appears to read "Julie Sandford". The signature is fluid and cursive, written over a white background.
