18<sup>th</sup> March 2021

Dear Parents and Carers,

From the Summer Term 2021 it is a statutory requirement that all schools in England and Wales are teaching Relationships, Sex and Health Education (RSHE) as a fundamental part of the National Curriculum. We have used the RSHE statutory government guidance as well as specialist support from Norfolk County Council to inform our draft policy and curriculum.

We have attached our draft policy for your consideration and would be interested in any comments on this document and the curriculum overview included in it. We appreciate that this is short notice but the national lockdowns and subsequent staff shortages have prevented any earlier consultation. If you have any comments, please send them by email to [office@colmanfederation.org.uk](mailto:office@colmanfederation.org.uk) by Friday 26<sup>th</sup> March.

With best wishes
