The Great Colman Spelling Bee
Spring Round

Dear Parent/Carer,

8 February 2022

As you will know, all children took part in round one of our annual spelling bee in the Autumn term.

This year the Spelling Bee will consist of one round per term with children scoring points for their house for each spelling correctly learned. There will be an additional grand final for the highest scorers in each year group in the Summer term.

Spring Round:

Each year group will be given a list of twenty words taken from the National Curriculum word list. There will be no other spellings set by class teachers over the half term holiday. Each class teacher will give their class a written test on these words in the first week after the Half Term holiday. Children will achieve a point for their house for every word they spell correctly.

We believe that this structure gives all children the opportunity to earn points for their house and take part in what should be a fun event, whilst also reinforcing important work on Spelling.

Yours sincerely,

Mr D. Genders
English Subject Leader
