Dear Parents and Carers,

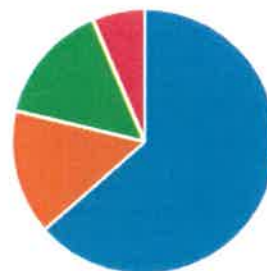

Changes to the length of the school day

Thank you so much for your responses to our consultation about changes to the beginning and end of the school day for our Federation schools. We had 156 responses and overwhelmingly you supported the changes.

Whilst the results were almost identical for which school should start their day first, you were really clear about which school you felt should finish earliest.

2. Which school would you prefer to start their day first?

Your comments also really helped us to understand the challenges many of you face at pick up and drop off times, particularly if you have children at more than one school.

So, from **September 2022**, the length of our school days will change, bringing the length of our school week to 32 and a half hours. The start and end of the school day will be as follows:

Colman Infant School Registration 8.45am - 3.15pm

Colman Junior School Registration 8.50am - 3.20pm

School gates will open at the same time and we are still more than willing for your children to wait in reception if you have issues with trying to be in different places at the same time.

Thank you again for your contributions and support.

With best wishes
