Dear Parents/ Carers,

After the Easter Holidays, we will be implementing a catch up programme to support the learning of all children in Year 3. The Year will be split into three groups for Maths and English, with experienced teacher, Mr Glasson - supporting one of these groups.

We are mindful that the children may be in a group with a different teacher to their class teacher. However, they will continue to be with their classes for assembly time and all afternoon lessons.

This catch up programme will enable us to target different aspects of learning and further support development and progress in Maths and English.

If you have any queries, questions or concerns, please don't hesitate to contact Miss Kinna or Mr Kirkham either via email or the School Office.

Yours faithfully

Sam Kirkham
